“Love One Another As I Have Loved You”

Our beautiful sculpture is complete and installed. It has surpassed all of my expectations both in aesthetics and in the response of the children. A little over 2 years ago the Stella Maris Past Pupils Association (6 elderly ladies), came for morning tea and donated $2,000.00 for us to do something significant for Stella Maris families past, present and future. We researched Tasmanian sculptors and after seeing the work of Mr Bernie Tarr from Geeveston, we asked if he would be interested in doing such a project. Bernie is retired and only does work which he believes would have a positive influence. He agreed to do it for us. After much discussion and planning, we came up with this concept of having a family setting around a table, with Jesus as an 8 year old, Mary, Joseph and a boy and girl student from Stella. Bernie asked if we could include a young Jewish boy from the mid 1940’s. It also had to be interactive. The students have been very comfortable doing this. Whenever I try to imagine God’s love for us, I can only imagine it to be similar to a Mother or Father’s unconditional love for their children. Our hope is that you feel some sense of this when you see it. Bernie only charged $6,000 to do this sculpture. The P & F & the Board contributed $2,00 each and for this we thank them greatly.

In the next 20 years, we will “Dare To Step out and make a difference. Just like Jesus”
